

CHRISTMAS LIGHTS PARADE

Saturday 13st December 2014

ALL WELCOME

Decorate your boat with coloured lights and join the fun of the parade.

Assemble in Pearl Bay from **8:00pm** for an **8:30pm** start (signalled by one long blast of an air horn).

The lead boat will be easily identified by a large Marine Watch flag flying from the forestay.

Proceed at 3-4 knots, stay as close as possible together in a single line, but remember that it is each skipper's responsibility to maintain a safe distance.

Should you need to leave the parade, please turn off your decoration lights and then peel off to starboard, so that you do not confuse following vessels.
