7. DESCRIPTION OF INCIDENT

Diagram: one square = hull length; show positions of boats, wind and current directions, marks.

① Calypso failed to give way to Vortex

② Vortex crash tacked as we would have hit at the winch position

Vortex avoided a collision as required.

Vortex skipper yelled protest and after avoiding Calypso put the red protest flag up.

Calypso skipper yelled something which we are unsure as to what he said and then yelled f--- off and sailed away
