

***2021 Combined Clubs
Optimist Winter Series***

Notice to Competitors

2021-08-18-1

With just two of the five scheduled race days completed, further racing in the 2021 Combined Clubs Optimist Winter Series is abandoned due to the NSW Public Health Orders. Regrettably, insufficient races have been completed to constitute a series.

It is the intention of the Combined Clubs to conduct the Optimist Winter Series again in 2022. Unless a refund is specifically requested, series entry fees will be retained in the event budget for the coming year. To request a \$90 refund, please email sailing.manager@mhyc.com.au with the Skipper Name, Sail Number and bank account details.

We thank you for competing in the series, hope you enjoyed the racing we did have and look forward to you participating again next year.

On behalf of the Combined Clubs Organising Committee

David Staley – MHYC Sailing Manager
