Extension of Safety Audit Validity

Current safety audits expire on the 30th June 2021.

Due the current and changing COVID-19 restrictions, MHYC will recognise 2020-2021 audits for Categories 4-7 until 31st August 2021 provided that yachts maintain compliance with the Australian Sailing Special Regulations.

The next “Get Checked” day is scheduled for Sunday 22nd August 2021. Audits on other dates can be arranged by emailing sailing@mhyc.com.au.
