

<b>Saturday 24th June from 9am</b>	<p><b>Free Get Checked Day</b> The first of MHYC's annual Get Checked Days that are free for members. Safety audits are completed for categories 1-7 in preparation for the 2023-2024 sailing year. Book early to secure a convenient time.</p>
<b>Thursday 10th August 6-8pm</b>	<p><b>Race Management Team Briefing</b> This session will update MHYC's Race Management Volunteers about the National Officiating Program and provide an outline of 2023-2024 Race Management Plan.</p>
<b>Sunday 20th August from 9am</b>	<p><b>Free Get Checked Day</b> The second of MHYC's annual Get Checked Days that are free for members. Safety audits are completed for categories 1-7 in preparation for the 2023-2024 sailing year. Book early to secure a convenient time. Audits can be conducted on other days but a fee is payable.</p>
<b>Sunday 20th August from 9am</b>	<p><b>ORC Measurement</b> A low cost and simplified rating system, ORC Club is growing in popularity, is the primary handicap category for the Combined Clubs Inshore Series and will be the primary handicap category for MHYC's Saturday Inshore racing. Australian Sailing's Ratings Manager, Chris Zonca, supported by MHYC volunteers, will assist owners with measurement of sails and spars and advice on completing the ORC Club Certificate application.</p>
<b>Thursday 14 September at 7pm</b>	<p><b>Annual Skippers Briefing</b> This session is mandatory for all boats entering an MHYC Series in 2023-2024. NSW Maritime Boating Safety Officers and Sailing Manager, David Staley, will provide a safety briefing followed by a review of the 2023-2024 Sailing Program and changes to race documentation.</p>
<b>Thursday 21 September at 7pm</b>	<p><b>Skippers &amp; Crew Meet &amp; Greet</b> Looking for crew for the new season? Looking for a crew position? Skippers will outline their annual program and crew can ask questions.</p>
<b>Thursday 28 September at 7pm</b>	<p><b>Keelboat Safety Forum</b> Led by National Safety Equipment Auditor and RYA Yachtmaster Instructor, Phil Darling, this session covers MHYC's risk management framework, harbour hazards, dealing with groundings, vessel and crew preparation, and MOB retrieval along with an open forum to discuss participants areas of interest.</p>
<b>Sunday 8 October from 10am</b>	<p><b>MOB Practical Training Session</b> Following on from the MOB theoretical session of the Keelboat Safety Forum, this session provides the opportunity to use a MOB mannequin to practice MOB Retrieval techniques.</p>

*For all sessions, please email [sailing@mhyc.com.au](mailto:sailing@mhyc.com.au) to register at the earliest opportunity.*
